

Schlatter Service Agreement Modules

With our customer service we will continue to provide support after your Schlatter systems have taken up operation. We will be happy to arrange a personal consultation meeting and work out a custom-tailored service package for you.

Schlatter InspectionService

Service packages tailored to your wishes.

Advantages:

- Clear statements on the equipment status
- Preventive maintenance, repair, optimization
- 10% discount on all hours of work
- Increased availability due to less unscheduled downtime

Schlatter WebBackup **NEW**

We protect you against loss of your machine and production data.

Advantages:

- Encrypted (256 bit AES) backup
- Daily recovery
- Automatic and monitored data backup
- Reduced system downtime
- Increased plant availability

Schlatter VisionSupport

We see what you show to us.

Advantages:

- Simple, seamless and comprehensive support
- Communication barriers are lowered
- "Live" access to your machines

Schlatter RemoteSupport

No distance is too great to be at your doorstep.

Advantages:

- Increased system availability
- No need for technical interventions
- Predictable costs

Schlatter 24Support

Round the clock support, worldwide.

Advantages:

- Time-independent telephone support
- Expert advice
- Faster troubleshooting
